PRAYER

**O God, you made the heaven and the earth and everything they contain. In our city and around the world, rulers and people assemble in opposition to your holy servant Jesus. And now, Lord, take note of their intimidations intended to silence us. Grant us, your servants, the courageous confidence we need to proclaim your message boldly while you reach out your hand to heal people, enabling us to perform signs and wonders through the name of your holy servant Jesus. *Amen.* (Adapted from Acts 4:24-30 The Voice)**
